Camp Lakota Merit Badge Scheduling

- There are four sessions for Merit Badges to be earned before lunch throughout the week. Afternoon Merit Badges are optional and independent study.
- **Rifle, Shotgun, Archery, Climbing, and Lifesaving Merit Badges** all have two blocks. Each block takes two sessions. The two blocks are sessions one and three, or two and four. This way all the scouts taking these badges get the safety instruction at the beginning of the week. So your scout will be in that badge at the same time all four days.
- **Pioneering, Communication, and Emergency Preparedness Merit Badges** are two-day, all morning sessions. This is due to the large amount of requirements that each merit badge takes to complete.
- **Cooking Merit Badge** is a block merit badge that will be offered from **11:00-12:45pm all week long, including Wednesday**. This is done to accommodate the 2015 requirements, and will allow Scouts to cook a minimum of **FIVE** meals while at camp.
- **Wilderness Survival Merit Badge** requires an overnight outpost that will occur on Thursday night. Scouts will begin building their shelters during their merit badge instruction time on Thursday and will finish them when they report for the outpost Thursday evening.
- **Learn to Swim Class** will be offered during Session 1 and Session 4 will be offered for those nonswimmers who are looking to improve their swimming skills. The Aquatics staff will develop an introductory swimming program based on each Scout's individual abilities. They will work toward completing requirements for the Swimming Merit Badge but it is not guaranteed that the merit badge will be completed.
- **Swimming and Water Rescue Training** during Session 3 is open to adult leaders and Scouts age 15 and older. This training will provide you with the information and skills to prevent, recognize, and respond to swimming emergencies during unit swimming activities. The BSA recommends that at least one person with this training is present to assist with supervision whenever a unit swims at a location that does not provide lifeguards. This training is valid for three years. Recommended for Scouts interested in furthering their Aquatics knowledge or interested in becoming a Lifeguard.
- **Paddle Craft Safety Training** during Session 4 is open to adult leaders and Scouts age 15 and older. This training will provide you with the information and skills needed for safe float trips. The BSA recommends that at least one person with this training is present to confidently supervise canoeing or kayaking excursions.
- **Nicotah Aquatics** during Session 2 will be a time for the Nicotah Scouts to work with the Aquatics Staff at the Beach and Boat Docks to complete their Aquatics Rank Requirements.
- **Back to Basics** will be offered at the Nicotah area during Session 4. This session is intended for Scouts who are wanting to work on completing rank requirements. **Mock Eagle Scout Boards of Review, Totin' Chip, Firem'n Chit, and Cyber Chip** can also be done during this time. Sign ups for these will occur at the 10-Day Out Meeting.
- **Welding Merit Badge** will be offered on a week-to-week basis upon availability of an instructor. Doubleknot will not reflect this Merit Badge. More information will be available at 10-day out meetings.
- Scouts are welcome and *encouraged* to pursue Merit Badges and Awards in the afternoon during open area time. However, the program areas will only be able to provide the badges offered during the morning. A master list is available from the Program Director upon request.
- Each Scout should read through their Merit Badge Requirements **BEFORE ARRIVAL** to camp. This will help them to mentally prepare for any Merit Badge that they may take. Doing pre-requisites **BEFORE** coming to camp also helps Scouts complete their Merit Badge(s) while at camp.
- The rationale behind only having Merit Badges in the morning is that it allows every Scout to experience every area. We at Camp Lakota believe that camp is not just for or about Merit Badges, but to also encounter *Scouting*, and experience all that Lakota has to offer.

Merit Badge Schedule 2021

Session 4 Nicotah Friendly Merit Badges

Easy:

Basketry MB
Chess MB
Learn to Swim Class

Medium:

Collections MB
Nature MB
Signs, Signals, and Codes MB
Textile MB

Hard:

Geocaching MB
Kayaking MB
Swimming MB

Nature MB	None	Please bring a fieldbook.
Signs, Signals, and Codes MB	None	Please read the Merit Badge Book prior to class.
Swimming MB	2	Must pass the Swimmers Test.
Textile MB	None	

Each Nicotah Scout that COMPLETES the Nicotah Program WILL earn the First Aid Merit Badge.

This list is provided on behalf of what the Camp Lakota Staff and Administration believe would be difficult for young, first year Scouts. These Merit Badges are not solely based on the skills needed or requirements, but the factor of time needed to complete these requirements have also contributed to the placement of these Merit Badges.

Merit Badge Schedule 2021

At Camp Lakota, over a three-year time span, we offer Eighty-Four different Merit Badges. Twenty-Eight of which are offered every year and Twenty others that are offered every three years. This allows for Forty-Eight Merit Badges to be offered every year, and ensures your Scout will always have a different experience each year that they are at Camp. The following table shows each year in which specific Merit Badges are offered.

Merit Badges Offered Every Year			
Archery Astronomy Aviation Basketry Camping Canoeing Climbing	Communication Cooking Disabilities Awareness Emergency Preparedness Environmental Science First Aid Fishing	Forestry Kayaking Leatherwork Lifesaving Pottery Rifle Shooting Rowing	Shotgun Shooting Small Boat Sailing Space Exploration Swimming Welding* Wilderness Survival Wood Carving

** Upon availability of an instructor*
