If you have any questions about merit badges or the merit badge schedule contact the Camp Program Director, Wyatt Miller at wyatt.miller@blackswampbsa.org

"Orange" indicates that this program runs past an hour

** This rifle session is air rifles. This session will still award scouts the rifle merit badge, just in a different way. If you have received the rifle merit badge do not sign up for this program. There will be times in the evening for other scouts to try the air rifles. Again this is the rifle merit badge, the only difference is the type of guns being used.

ALL SUBJECT TO CHANGE
