Outbounds 2026

Outbound	Description
Adult Leader Retreat	An opportunity for fellowship, food, and a great time for all adult leaders! Leaders may partake in Nap On Safely, Euchre Merit Badge, and more! Note: All adult leaders staying in camp must register for the adult leader retreat.
Cooking	Cooking Outbound will involve Scouts learning and implementing outdoor cooking methods. The Scouts will make their own dinner and breakfast on this tasty Outbound catered to Scouts in Cooking Merit Badge. (Note: this Outbound is required for Scouts to finish Cooking Merit Badge at Camp)
En-Sa-Wac-Sa	En-Sa-Wac-Sa Outbound will travel out of camp on the Auglaize/Maumee rivers on a canoe trek teaching them the rich indigenous history of the area and the adventure of a lifetime. Must be a Swimmer and requires a Paddling Skills Test. Over the course of this trip, En-Sa-Wac-Sa will travel between 4-8 miles depending on the skill level of their group.
Frontiersman	Frontiersman Outbound will allow scouts to complete the overnight requirement of Wilderness Survival Merit Badge while experiencing all the great outdoors has to offer. Note: Scouts will build their shelters, and then spend the night under them.
Game Design	Game Design Outbound will let scouts design a game of their dreams. Scouts will build board games, play board games, and enjoy a good ole' fashioned family game night. Scouts will have the opportunity to earn the Game Design Merit Badge.
Hiking Around	Hiking Around Outbound will allow Scouts the opportunity to explore, get dirty, and pick apart various parts of Lakota that very few Scouts ever venture into, such as the slate-beds, the log jam, and Lakota's own wetland. Be prepared to stay the night with some of Lakota's finest wildlife. Note: Scouts must be prepared for a full day of hiking and exploring.
Nicoteh	<i>Nicoteh Outbound will work to enhance their Scout Skills while participating in a historical trek that teaches the lessons of early Scouter's. Scouts in Nicoteh will be practicing the many skills learned in class for rank advancement. Older scouts may attend this outbound but it is required for all Nicoteh scouts to attend.</i>
