

Doty Dental

Dear Student,

Does a career in dentistry interest you? If so, you're invited to our next dental career event on October 14, at 6:00 PM. This program will open the doors for you to learn about careers in the field of dentistry. Exploring is a co-ed program open to students ages 14-20 who have completed the eighth grade and provides students with immersive hands-on career experiences.

Alongside the professionals in my office, I would like to invite you to this special event to be held at Dr Doty office, located at 811 S. Main Street, Findlay, OH. At this meeting we will learn about the career within the dentistry field. Future meetings will be once a month through the school year and will take a deep dive in orthodontics, dental hygienist, oral maxillofacial surgery, how to get into dental school, and more.

Through this program, you will be given hands on experience in the Dental field. Let us know you are planning to attend! Youth registration forms will be available before and during the open house, and those under the age of 18 must have a parent signature. Students 18 years of age or will be turning 18 before 12/31/20 will need to complete an adult application and online youth protection training.

Bring both the registration form and one-time registration fee of \$53.00 Checks can be made out to BSAC. RSVP to (419)-701-4911 or sldotyfamily@gmail.com Email Exploring Executive Colin Earl if you have questions, colin.earl@scouting.org Exploring can be an informative and fun way to help you prepare for the future!

I look forward to meeting you and discussing with you the wonderful career as a Dental Professional. This is an excellent way to learn about careers in the dental field while having a great time. If you have a friend that interested bring them along and learn about the career together. Remember, your future is the best reason to explore careers today! **Youth attending are required to wear a face covering.** For additional Exploring programs and registration check out <http://www.blackswampbsa.org/districts/exploring/join-exploring/73568>

Sincerely,

Dr. Stan K. Doty
Dr. Aaron W. Doty
