

**Before Scouts can  
LIVE SCOUTING'S ADVENTURE  
at the National Jamboree, the staff  
need a place to live. Join us in setting  
up 2,000 tents. With 200 volunteers,  
we will only have 10 tents per person.**

***Will you help?***

**National Jamboree  
Volunteer  
Weekend  
at the Summit  
Bechtel Reserve  
JUNE 2-4**

Weekend camping will be available with units bringing their own tents and equipment. The Summit will provide meals (Fri night - Sun morning). We will cap off the weekend with an evening event on Lake Goodrich - Climbing Walls, Kayaking, and Stand Up Paddle Boarding will be available for all participants.

In 2013, the Summit was able to procure the help of the West Virginia Division of Corrections to set up the staff tents. However, due to financial reasons, that help is not be available for 2017. The National Jamboree and Summit teams cordially invite Scouts and Leaders from Councils within driving distance to join us in creating a positive customer service experience for Jamboree Staff when they arrive on site at the Summit in July.

Interested individuals, troops, and crews please contact,
